<b>Name</b>	Micro-Lite® Fully Variable Fluorescent Ring Illuminator
<b>SKU</b>	FL1000
<b>Product Line</b>	Micro-Lite®
<b>Voltage</b>	120 Volt
<b>ESD Safe</b>	YES

## PRODUCT DESCRIPTION

**Micro-Lite® High/Low Fluorescent Ring Illuminator** is the highest quality fluorescent ring on the market. The exclusive 'flicker-free' design makes for fatigue free usage. Our specialized ballast technology eliminates flickering that can cause eye fatigue, and allows for more lumen output per watt used. This is in a class all its own. 2.35" ID, with a whole host of adapters available. **ESD Safe**
