

Micro-Lite High/Low Fluorescent Ring Illuminator

Name	Micro-Lite® High/Low Fluorescent Ring Illuminator
SKU	FL1000
Product Line	Micro-Lite®
Voltage	120 Volt
ESD Safe	YES

PRODUCT DESCRIPTION

Micro-Lite® High/Low Fluorescent Ring Illuminator is the highest quality fluorescent ring on the market. The exclusive 'flicker-free' design makes for fatigue free usage. Our specialized ballast technology eliminates flickering that can cause eye fatigue, and allows for more lumen output per watt used. This is in a class all its own. 2.35" ID, with a whole host of adapters available. **ESD Safe**
